 My Personality ...

Driver (Di)

Jake may feel most comfortable taking charge of a situation. Their natural energy, drive for improvement, and desire for constant stimulation can help make them an influential leader.

Ambitious

Determined

Confident

 **Behavior**

Completing projects more quickly than others

Working with a sense of urgency

Building and maintaining momentum

Immediately projecting assertiveness and confidence

 **Energizers**

Opportunities to advance

Making quick decisions

Leading others

Ambitious goals

 **Drainers**

Over-planning

Failing to achieve goals

Slow, drawn-out events

Deep research and analysis

 **Strengths**

Taking bold risks when necessary

Being quick, independent and firm when making decisions

Leading a team through difficult situations

Directly stating thoughts and opinions

 **Blind spots**

May proceed with action before getting proper approval from an authority

May be overly brief in communication

May struggle working in the background with little recognition

May work too quickly through important decisions
